

# Victor de Almeida Xavier (VX)

## GOALS / OBJECTIVES

I am looking for a leadership position in projects that demand Artificial Intelligence, Optimization, Data Science, Machine Learning and Internet of Things. I have 28 years of experience in IT, having worked on solutions for large organizations such as TokStok, Fastshop, Avon, Martins, Flat, BB, Itaú, CEF, Bradesco, Fininvest, Caixa Seguros, BR Distribuidora, Rede Globo, Centro de Operações Rio, and at the IBM Lab in San Jose/CA/USA.

## AREAS OF INTEREST

Business Process Models, E-Commerce, Smart Cities, Industry 4.0 and 5.0, Environmental, Social, and Corporate Governance (ESG) and Reverse Logistics
